

BASIC GEOCACHING STEPS

1. Choose any geocache location from the list.
2. Enter the coordinates of the geocache into your GPS Device.
3. Use your GPS device to assist you in finding the hidden geocache.
4. Feel free to take an item from the cache but only if you brought an item to add to the cache.
5. Sign the logbook and return the geocache to its original location.

TIP: Visit geocaching.com for tips and more info about geocaching.
